I am contacting you to inform you that Cognigen Networks is in danger of being fined and losing its Certificate to serve in Arizona for failure to file the required 2007 Annual Reports to the Utilities Division of the Arizona Corporation Commission. These reports are due annually on April 15th.

The last report received for Cognigen Networks was on 5/14/07 for calendar year 2006.

A procedural conference is being held on Friday, May 15th at 10:00am, and a Hearing is being held on Friday, May 22nd at 10:00am at the Commission. Here is a link to the procedural order: <http://images.edocket.azcc.gov/docketpdf/0000096454.pdf>

I have also attached the last annual report for the company as well as a blank 2007 annual report for your convenience.

Please fill out and return to me as soon as possible so that Cognigen can be removed from the Order to Show Cause.

If Cognigen is no longer in business in Arizona and wishes to cancel its Certificate to serve, please let me know and I will direct you further how to proceed.

Thank you,
